Dear parents and caregivers,

It has been wonderful to see so many children attending Preschool regularly. We understand that lots of children have been sick lately, if this is the case please let a preschool staff member know so we can get our unexplained attendances back down to 0%. Thank you to the parents who already do this.

We have had a busy time down in the preschool lately. We have welcomed 4 new students to our centre. Their names are Ruby, Lyndon, Tyron and Lucas. It is great to see so many people making them feel welcomed.

Please let a staff member know if your child will not be using the school bus on a particular day or if a different person is picking them up. It is important that we know this information to make sure children are getting home safely.

The children have been helping to replant our Preschool garden as during the holidays the plants died. We now have herbs and some fruit trees growing.

Our new Lego wall has been put up and we have really enjoyed playing on it.
Preschool Enrolments 2015

We are collecting enrolment forms for children starting Preschool next year. This will help us to organise pre-entry sessions in term 4.

Your child is eligible for Preschool next year if they turn 4 year old before the 30th of April. If your child is Indigenous they can start Preschool as soon as they turn 3 years old.

Enrolment forms can be collected from the School Office or the Preschool.

Little Musicians

Thursdays at 10am
Coober Pedy School Music Room
For all Families with children under 5

Come and sing some songs with your children, discover the fun of music.

Play Gym

Sundays from 2—3:30 pm
