Dear Parents/Caregivers,

Thank you for all the lovely donations that parents and students have been giving to the centre. We have a new donation board and basket, if you would like to donate something off the list please take the sticky note and bring the item into Preschool.

Some seeds have been donated by Lucas and his family so we will be getting our garden started this coming week.

If you have any simple recipes that your child likes to eat please bring them into the Preschool as we are trying to do cooking with the children once a week and would love some ideas.

It was wonderful to see so many parents at the Preschool open night. If you were not able to make it and would like to look at the new Preschool building plans please come and speak to me, I have them ready to show you. We will keep you all updated when we find out information. At the moment we should start seeing groundwork soon.

Every child in the Preschool has a folder and a book that parents are welcome to look at any time they would like. They are kept next to the couch and contain work completed at Preschool.

Just a reminder:

- Please label your child’s lunch box and drink bottles. We do our best at remembering which child bring which items but sometimes we get confused.
- We ask that children don't bring toys from home to Preschool. Toys can get lost and broken.
- We understand that it has been hot but we ask that children do not wear thongs to Preschool as this is a safety issue when we walk anywhere.
- Please provide pull-ups (if toilet training) and spare clothes for your child as toileting accidents do happen.

If you have any concerns about your child at Preschool please don't hesitate to contact me.

Thank you,

Lisa Vermeeren
