Dear Parents/Caregivers,
There is only 2 more weeks left till school holidays, everyone here at the Preschool would like to thank all the families who have supported us this term. It has been a busy term with lots of events happening and we have enjoyed seeing all of your smiling faces each day.

Thank you to all the parents who have phoned to let the Preschool know their child would be away for a session. Our attendance rate is currently sitting in the low 70% it would be wonderful to see this increase in the next few weeks.

This week we have started planting our garden, we planted some grass and some of the seeds that had kindly been donated to us. The children are learning to look after the garden and water every day.

The children are enjoying feeding the 3 fish each day and watching them grow. During the school holidays I will be away, therefore I will not be able to care for them. I am looking for a family who can take them home and feed them during this 2 week block. If you are interested please come and see me (Lisa).

We have also had SA dental visit the Preschool and some of the children had fluoride put on their teeth. The children are all getting good at opening their mouths so the dentist can see all of their beautiful teeth. If your child got their teeth checked they should have brought home a toothbrush and toothpaste.

Just a reminder that if your child needs to go on the Preschool bus (on a day that is different to normal) please let a staff member know.

Thank you,
Lisa Vermeeren

Upcoming important dates to remember:

Thursday 2nd April       Easter shared lunch with Early Years Classes
Monday 6th April         No Preschool due to Easter Monday
Friday 10th April        End of term 1—school finishes at 2:00
