Dear Parents/Caregivers,

Welcome back to term 2, we hope you have had a safe and enjoyable holidays. This term we would like to welcome Tink to the Preschool team while she completes her University placement. She will be with us from weeks 1 to 4. Please make her feel welcome.

The preschool census will be held during weeks 2 and 3. This provides the Preschool with the funding for teachers and SSO’s. Therefore it is important that during this time we have high attendance from all students. Thank you to all the parents that inform us when their child will be away for a period of time. This allows us to record your child as an explained absence.

Please take the time to fill out the ‘all about me’ notes in children’s note pockets. This allows the Preschool staff to stay up-to-date with information about your child and their interests.

Please inform staff if your child is getting picked up by a different person at the end of the day or if they need to get on the bus. This allows us to make sure all children get home safely.

As the weather is getting cooler I would like to take this chance to remind you if your child is sick please keep them home. We do the best we can to stop the spread of germs around the Preschool and it is helpful if sick children stay home until they are feeling better. We also ask that you inform the Preschool, this allows us to watch if any other children are coming down with the same illness.

A reminder to please label your child’s things. We do the best we can at making sure that each child goes home with the same things they brought to Preschool, like jumpers, toys, drink bottles and lunchboxes. Sometimes we do get this wrong and we thank the parents who bring the items back that are wrong.

We are all looking forward to another wonderful term in the Preschool. If you have any questions or queries please don’t hesitate to come in and see us or give me a phone call. I am also happy to chat with you about your child’s development and time at Preschool.

Thank you,

Lisa Vermeeren
