Dear Parents/Caregivers,

Welcome back to term 3. We hope that you have all had a wonderful break and are ready for another fun term. Please refer to your term 3 session times notes as session times for some children have changed for this term. If you do not have your child’s session times for term 3 please ask a staff member and we will write them down for you.

We have just received a huge amount of new toys from the school attendance team and we would like to say a very big thank you to them all. They have been supporting us with attendance throughout the year and have now donated us some extra special toys. This includes a new worm compost bin that we will be setting up during the next few weeks to learn more about compost and gardening. We are all looking forward to starting our worm bin.

The preschool census will be held during weeks 2 and 3. This provides the Preschool with the funding for teachers and SSO’s. Therefore it is important that during this time we have high attendance from all students. Thank you to all the parents that inform us when their child will be away for a period of time. This allows us to record your child as an explained absence.

We have found that our lost property pile is becoming very high at the moment. Please come and check it out and take home what belongs to your child. We ask that school jumpers have the childrens’ names on them (on the tag). We do the best we can to get all the right clothes and belongings home with the right children and names make this process a lot easier.

If you have any concerns about your child at Preschool or want to know how they are developing please come in and ask me. I am more than happy to answer any question you have.

Thank you,
Lisa Vermeeren
