Dear Parents/Caregivers,

As term 3 comes to an end we would like to thank everyone for their support for the term. We have just a few reminders as we start to move into warmer weather. Please pack a spare change of clothes for your child as we are starting to have water play. If your child will be away for a session please ring the office to let us know, thank you to the parents who have been doing this.

Over the last few weeks the children at Preschool have been having heaps of fun with the school children. This included joining in at sports day and book week dress up celebrations. I would like to say a big thank you to all the parents that came and supported us at sports day. It was a long day but all the children had lots of fun. We have all been enjoying playing with the R-2 classes during our Monday afternoon play sessions, this is where we have been learning skills like inclusivity, getting along and sharing. It has been lots of fun.

If you know of any families whose children will be starting pre-entry next term can you please encourage them to fill out an enrolment form. More information will be going out to these families soon.

Sessions will be changing next term to fit in school transition. You should have received a pink session times note by now. If you haven’t please see Lisa Vermeeren and I will give you your child’s session times note for next term. Transition will run over 5 Mondays—this is explained in the note attached to the pink session times. If you have any questions please don’t hesitate to ask.

Some of the children that will be moving off to school next year have asked for reader folders and the jolly phonics sounds. If you and your child would also like one to practice the enjoyment of reading before next year please don’t hesitate to ask. They are not to be forced onto the children but seen as an enjoyment and to do when your child is ready.

**Term 4 starts on the 12th October. We can’t wait to see you all again after the holidays for another busy term.**

Thank you,

Lisa Vermeeren
